

How to help refugees & asylum-seekers

1. Speak out

Reach out to your members of Congress through the [Episcopal Public Policy Network](#). Learn & take action.

2. Support Episcopal efforts

Read [Response to the Border: Advocacy and Education](#) to connect with ongoing Episcopal efforts in border dioceses and elsewhere.

3. Join EMM's Partners in Welcome

Get involved for the long-term. Join [Partners in Welcome](#) to learn, network, share best practices, and get equipped for ministries of advocacy, presence, welcome, and community-building.

4. Support EMM

Alongside our ongoing work to resettle refugees, EMM is also leading a churchwide effort to create Support Asylum-Seekers: A Toolkit for Individuals and Congregations, to help communities learn how they can support asylum-seekers through the legal process. We need your help to continue our work. [Make a gift to EMM today.](#)
